New Jersey Summer Flounder Fishery Closure

Effective Date: December 17, 2013

The 2013 commercial summer flounder quota allocated to New Jersey has been harvested. Effective 1115 hours, December 17, 2013, fishing vessels issued a Federal moratorium permit for the summer flounder fishery may no longer land summer flounder in New Jersey for the remainder of the 2013 calendar year.

Vessel owners issued Federal permits must continue to complete and submit vessel logbooks for all other species landed. Additionally, dealers issued Federal dealer permits for summer flounder may not purchase summer flounder in New Jersey for the remainder of the calendar year. Federally permitted dealers must also continue to report all fish purchases from any vessel.

For small entity compliance guides, this bulletin complies with section 212 of the Small Business Regulatory Enforcement and Fairness Act of 1996. This notice is authorized by the Regional Administrator of the National Marine Fisheries Service, Northeast Region.
