**RE: SkyMate VMS units**

Dear fishing vessel owner/operator:

This letter serves as notification that after **September 30, 2015**, your SkyMate mobile transceiver unit will no longer be type-approved for compliance with vessel monitoring system (VMS) requirements in United States federal fisheries.

In December 2014, the National Marine Fisheries Service (NMFS) published in the Federal Register a final regulation governing the technical requirements for, and NMFS' approval of VMS units used in U.S. federal fisheries (*50 CFR 600 Subpart Q; see also 79 FR 77399 (Dec. 24, 2014)*). One of the requirements set out in the regulation is a type-approval renewal process. Under the type-approval renewal process, VMS vendors are required to apply for a renewal of their type-approved VMS units/services every three years. SkyMate did not submit a complete application for renewal of their bundled VMS product, which consists of the Stellar VMS unit together with the Orbcomm satellite communications service. As a result, Skymate's type-approval will expire on September 30, 2015.

To continue fishing in U.S. federal fisheries that require use of VMS, **you must replace your Skymate VMS unit(s) with a currently type-approved VMS unit no later than 11:59pm (local time) on September 30, 2015**. The new type-approved VMS unit must be installed, operational, and registered with OLE by that time. You may choose from the units in the attached list, "Type-Approved VMS Units." Please be certain that the unit of your choice is type-approved for the fisheries/areas in which you fish.

Please check our website prior to your purchase for the most up to date list of type-approved units by going to [http://www.nmfs.noaa.gov/ole/about/our\\_programs/vessel\\_monitoring.html](http://www.nmfs.noaa.gov/ole/about/our_programs/vessel_monitoring.html), and clicking on the "Approved VMS Units" link.

All SkyMate Stellar units that are replaced as a direct result of this type-approval status change and as necessary to maintain compliance with the U.S. VMS regulations will fall within the scope of NOAA's National VMS Reimbursement Program. Please see the attached reimbursement request form, and contact the VMS Support Center at 888-219-9228 for reimbursement inquiries.

If you have questions, please feel free to contact the VMS Support Center at 888-219-9228 or [ole.helpdesk@noaa.gov](mailto:ole.helpdesk@noaa.gov), or contact me directly at [Kelly.spalding@noaa.gov](mailto:Kelly.spalding@noaa.gov).

Respectfully,

**Kelly Spalding**

## VMS REIMBURSEMENT REQUEST FORM

This reimbursement opportunity is available to fishing vessel owners and/or operators that have purchased an approved E-MTU device in order to comply with fishery management regulations. For units purchased on or after 2.1.2008, the reimbursable expense is the purchase price of a type-approved E-MTU for which the owner and/or operator holds a valid commercial fishing permit or license, not to exceed a maximum of \$3,100.00. For units purchased prior to 2.1.2008, the reimbursable expense is the purchase price of a type-approved MTU/E-MTU for which the owner and/or operator holds a valid commercial fishing permit or license and associated freight, not to exceed maximum reimbursement amount by fishery (AK \$1,750; NE \$2,995; NW \$3,070; PI \$1,750; PI Groundfish \$3,100).

Units purchased prior to July 5, 2006 are no longer eligible for reimbursement per NMFS Directive 06-102.

### HOW TO REQUEST REIMBURSEMENT FOR VMS:

1. Purchase, install, and activate a NOAA OLE Type-Approved VMS unit.
2. Contact NOAA OLE VMS Helpdesk at 1.888.219.9228 to obtain four-digit reimbursement confirmation number.
3. Complete and sign this reimbursement request form or visit [www.psmfc.org](http://www.psmfc.org) for web form.
4. Mail or fax the reimbursement request form, a copy of the itemized sales invoice, and a copy of the vessel's Certificate of Documentation and/or Federal Fisheries Permit and/or State Registration to **Pacific States Marine Fisheries Commission 205 SE Spokane Street, Suite 100, Portland, OR 97202 or 503.595.3444.**

*For additional help with completing this form, consult the VMS Request Form Instructions or contact PSMFC at 503.595.3100.*
