

to participate solely in the roundtable, the fee will be \$750.00 (\$650.00 for SME) for either a primary or secondary representative.

An SME is defined as a firm with 500 or fewer employees or that otherwise qualifies as a small business under SBA regulations (see <http://www.sba.gov/size>). Parent companies, affiliates, and subsidiaries will be considered when determining business size. The dual pricing reflects the Commercial Service's user fee schedule that became effective May 1, 2008. For additional information, see <http://www.export.gov/newsletter/march2008/initiatives.html>

Exclusions & Expenses:

The conference fee does not include any personal travel expenses such as lodging, most meals, incidentals, local ground transportation, except as stated in the proposed timetable, and air transportation from the U.S. to the event location and return to the United States. Delegation members will be able to take advantage of U.S. Embassy rates for hotel rooms and group rates for train tickets. Business visas may be required. Government fees and processing expenses to obtain such visas are also not included in the Roundtable/Tour costs. However, the U.S. Department of Commerce will provide instructions to each participant on the procedures required to obtain necessary business visas.

Conditions for Participation:

An applicant must register online at http://export.gov/reee/eg_main_054052.asp. In addition, the applicant must send an email to the U.S. Department of Commerce staff (see Contacts) addressing how he/she satisfies the four selection criteria listed below.

- Whether the applicant represents a U.S. company that fits one of the following profiles:

- (1) Companies that manufacture technology or provide services in the renewable energy sector (particularly solar, wind, biomass, geothermal, and small/medium hydro);

- (2) Developers of renewable energy projects with global experience; and

- (3) Companies active in the smart grid industry.

- The applicant's potential for or interest in doing business in Japan;

- The applicant's ability to identify and discuss policy issues relevant to U.S. competitiveness in the renewable energy or smart grid sectors;

- Consistency of the applicant's goals and objectives with the stated scope of the event.

Diversity of company size and location may also be considered during the selection process. Referrals from

political organizations and any documents containing references to partisan political activities (including political contributions) will be removed from an applicant's submission and not considered during the selection process.

Selected applicants will be asked to sign a Participation Agreement with the Department of Commerce in addition to the following mandatory certifications (applicants that cannot attest to these certifications cannot participate):

- The export of the products and services that it wishes to promote would be in compliance with U.S. export controls and regulations;

- Company/Organization has identified to the Department of Commerce for its evaluation any business pending before the Department of Commerce that may present the appearance of a conflict of interest;

- Company/Organization has identified any pending litigation (including any administrative proceedings) to which it is a party that involves the Department of Commerce;

- Company/Participant agrees that it and its affiliates (1) have not and will not engage in the bribery of foreign officials in connection with the Company's/Participant's involvement in this mission, and (2) maintain and enforce a policy that prohibits the bribery of foreign officials.

Timeline for Recruitment and Applications

Recruitment for the Roundtable/Tour will begin immediately and conclude no later than November 9, 2012. The U.S. Department of Commerce will review applications and make selection decisions on a rolling basis beginning on or about October 25, 2012. Applications received after November 9, 2012 will be considered only if space and scheduling constraints permit.

Dated: October 16, 2012.

National Oceanic and Atmospheric Administration

RIN 0648-BC21

Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Atlantic Surfclam and Ocean Quahog Fishery

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; request for comments.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed information collections, as required by the Paperwork Reduction Act of 1995. This request for comments is for information collection requirements from a recently published proposed rule regarding an action to reopen a portion of the Georges Bank Closed Area to the harvest of Atlantic surfclams and ocean quahogs. The full details of this action can be found in the proposed rule. This **Federal Register** notice is soliciting comments only on the burden estimates for the collection of information requirements under the testing protocol and the letter of authorization requirements that are associated with the proposed rule.

DATES: Written comments must be submitted on or before November 21, 2012.

ADDRESSES: You may submit comments, by any of the following methods:

- *Electronic Submissions:* Submit all electronic public comments via the Federal e-Rulemaking portal <http://www.regulations.gov>.

- *Fax:* (978) 281-9135, Attn: Jason Berthiaume.

- *Mail:* John K. Bullard, Regional Administrator, NMFS, Northeast Regional Office, 55 Great Republic Drive, Gloucester, MA 01930. Mark the outside of the envelope: "Comments on the Collection of Information Requirements for the Proposed Reopening of the GB Closed Area."

Instructions: All comments received are part of the public record and will generally be posted to <http://www.regulations.gov> without change. All Personal Identifying Information (for example, name, address, etc.) voluntarily submitted by the commenter may be publicly accessible. Do not

submit confidential business information or otherwise sensitive or protected information.

NMFS will accept anonymous comments. Attachments to electronic comments will be accepted via Microsoft Word, Microsoft Excel, WordPerfect, or Adobe PDF file formats only.

FOR FURTHER INFORMATION CONTACT: Jason Berthiaume, Fishery Management Specialist, phone (978) 281-9177, fax (978) 281-9135.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Georges Bank (GB) Closed Area has been closed to the harvest of surfclams and ocean quahogs since 1990 due to red tide blooms that cause Paralytic Shellfish Poisoning (PSP). The action associated with the collection of information requirements discussed in this **Federal Register** notice, if implemented, would open a portion of the GB Closed Area for harvesting surfclams and ocean quahogs, provided harvesting is conducted under the terms and conditions of the Protocol for Onboard Screening and Dockside Testing in Molluscan Shellfish. The full details of this action can be reference in the **Federal Register** notice that was published for the proposed rule (77 FR 53164; August 31, 2012). The protocol is designed to test and verify that clams harvested from GB are safe for human consumption. The protocol was formally adopted into the National Shellfish Sanitation Program at the October 2011 Interstate Shellfish Sanitation Conference. The protocol includes a detailed procedure outlining how shellfish are to be harvested, tested, and handled. The PSP testing protocol includes the following requirements that require analysis under the Paperwork Reduction Act (PRA): Submission of concurrence from the state of landing; maintain and submit harvest records; compile and submit laboratory results; create and maintain a written onboard lot segregation plan; and provide notification prior to unloading.

Additionally, to monitor and control the harvest of surfclams and ocean quahogs from the area, and to ensure vessels adhere to the protocol, vessels fishing in the area would be required to apply for and obtain a letter of authorization (LOA) from NMFS. The LOA would help to ensure that vessels are adhering to the regulations for harvesting within the area and would provide a mechanism for NMFS to restrict harvesting in the area should a vessel not comply with the terms and

conditions of the LOA and/or the PSP testing protocol. The full protocol is available for viewing at www.nero.noaa.gov/sfd/clams/ApprovedProtocol.pdf.

II. Method of Collection

In regards to the requirement to obtain an LOA, in 2011, there were 47 Federal open-access surfclam and/or ocean quahog permitted vessels that landed surfclams and/or ocean quahogs that may wish to fish in the area proposed to be reopened. Each vessel could apply up to once a year, for a maximum of 47 applications. It is expected that each application would take 5 minutes to complete, for a fleet maximum of 4 hours. There is no additional public cost associated with this change as the application would be submitted with the previously existing annual permit renewal package.

In regards to the information collection required under the protocol, if all of the permitted vessels in 2011 fished in the area, there would be a total of 47 entities, as well as 11 states, that would be required to adhere to the terms and conditions of the PSP testing protocol. While the PSP testing protocol outlines what is required, there would be differences in the complexity of the documents as well as varying methods of submission. For this PRA analysis, it is assumed that the traditional method of submission will be used, physical mail at 45 cents per submission; however, it is likely that many submissions will be completed electronically and, therefore, the overall cost would be reduced.

The testing protocol requires numerous elements that contain collection of information requirements, including elements that are submitted to NMFS, as well as to state and private entities. The submission of concurrence from state of landing element is required only of the state, which would total 11 entities. This submission would be in the form of an annual written letter, with a total time burden estimate of 11 hr (11 submissions × 1 hr) and would cost \$5 (11 submissions × \$0.45).

The remainder of the requirements in the protocol apply to individual vessels, and is based on the maximum number of trips that occurred in the area in 2011 (46 trips). Three of these elements would require document submission, one of which is an annual submission, and the other two which are required on each trip. The result is 4,370 submissions (((47 × 46) × 2) + 46) with a total public cost burden of \$1,967 (4,370 × \$0.45). The offload notification requirement does not impose any additional costs, as the notification

would be completed through a pre-existing email or cellular phone account and is not required to be submitted in writing.

It is estimated that both the requirement to submit and maintain harvest records and compile and submit laboratory test results would take 30 minutes each to complete. Based on the number of anticipated trips into the area, there would be 4,324 submissions and a public burden of 2,162 hr (4,324 submissions × 30 min). The element to create and maintain a written onboard lot segregation plan is required annually and would take approximately 60 min to complete for a public burden of 47 hr (47 submissions × 1 hr). The notification element is required on each trip and is estimated to take 5 min per notification, resulting in 180 hr of burden (2,162 notifications × 5 min). The total resulting time burden to the public from all of the requirements to fish in the reopened portion of the GB Closed Area is 2,404 hr (4 + 11 + 2,162 + 47 + 180).

New England Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; public meeting.

SUMMARY: The New England Fishery Management Council (Council) is scheduling a public meeting of its Scallop Advisory Panel to consider actions affecting New England fisheries in the exclusive economic zone (EEZ). Recommendations from this group will be brought to the full Council for formal consideration and action, if appropriate.

DATES: This meeting will be held on Wednesday, November 7, 2012 at 9 a.m.

ADDRESSES: The meeting will be held at the Four Points by Sheraton, 407 Squire Road, Revere, MA 02151; telephone: (781) 284-7200; fax: (781) 289-3176.

Council address: New England Fishery Management Council, 50 Water Street, Mill 2, Newburyport, MA 01950.

FOR FURTHER INFORMATION CONTACT: Paul J. Howard, Executive Director, New

England Fishery Management Council; telephone: (978) 465-0492.

SUPPLEMENTARY INFORMATION: The Advisors will review analyses and make final recommendations on Framework 24. Framework 24 includes fishery specifications for FY2013, and possibly FY2014 and 2015, as well as a handful of other measures. The other measures include: (1) Possible modification of Georges Bank access area opening dates; (2) measures to address sub-ACL of yellowtail flounder for the LAGC fishery; (3) modification of the effective date of yellowtail sub-ACL AMs; (4) leasing LAGC IFQ during the year and after fishing some fishing has occurred; and (5) expanding the observer set-aside program to include LAGC open area trips. Other business may be discussed.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Paul J. Howard, Executive Director, at (978) 465-0492, at least 5 days prior to the meeting date.
