

NOAA NMFS Dockside and At-Sea Monitoring Program Workshop II Agenda

Purpose: To come to an understanding around all of the elements, particularly the monitoring and reporting requirements, needed to complete the Sector Operation Plans by September 1, 2009, based on decisions made at the June 2009 New England Fisheries Management Council (NEFMC) meeting.

Outcomes:

- Clarity on the decisions made during the June 2009 NEFMC meeting
- A shared understanding of those sections of the Sector Operation Plans that pertain to monitoring and reporting
- Clear next steps (for industry and government) needed for industry to complete the Sector Operation Plans by September 1, 2009
